

NEW MEXICO FFA ASSOCIATION BLUE AND GOLD PRESIDENTS AWARD

This award was initiated in 1980 to encourage Chapter Presidents to involve their local chapters in the State and National Awards Program. To be eligible for the President's Award a chapter must have received the Superior Chapter Award and have 100% FFA Membership. Also, the chapter must participate in the following areas of State and National FFA Activities:

- Chapter Safety
- Building our American Communities
- National FFA Calendar Program
- Food for America

In 1996-97 the above areas were changed to the following:

- Participation in Made for Excellence Program
- Participation in Chapter Officer Leadership Training
- Food for America

In 2001-02 the above areas were changed to the following:

- Participation in Made for Excellence Program
- Participation in Chapter Officer Leadership Training
- Public Relations Program
- Food for America or other Agricultural Literacy Program

By participating in all four areas, a Chapter President received a "Gold Rating". Participation in three of the four areas allowed a Chapter President to receive a "Silver Rating". Participation in two of the four areas allowed a Chapter President to receive a "Bronze Rating"
