## Facilitation Round

### Background

You have been asked to facilitate a workshop to group of FFA members about Ag Advocacy. These FFA members are from a strong FFA chapter; however, during the past few years the teachers have noticed that the community surrounding them does not have a very good understanding of what agriculture is and how it affects them. These students are very involved and just need a little encouragement to advocate for our industry and share their agriculture story.

**Topic:** Ag Advocacy

**Group:** High School FFA Chapter

**Time:** September 2014

You will have 50 minutes to prepare an hour long workshop on how these officers can lead by example. **YOU WILL PRESENT 10 MINUTES OF YOUR WORKSHOP CONTENT** to the nominating committee. You may use any of the materials provided, and you will **submit a copy of your planned workshop** to the committee members after you have presented.
