Help improve Agricultural Education in New Mexico,
Support House Bill 168!
Help improve Agricultural Education in New Mexico,
Support House Bill 168!
When you vote in favor of House Bill 168, you support:

- Improved classroom experiences for approximately 5,000 New Mexico Agriculture Education students
- Enhanced teacher effectiveness in preparing students for career success
- Eliminating the teacher shortage through increased teacher development and mentorship
- Availability of superior curriculum options
- Increased student opportunities through New Mexico FFA
