

Stand & Deliver Example Questions:

You will be given a prompt similar to this when you enter the preparation room.

BACKGROUND

In the past five years New Mexico FFA has experienced a shortage of qualified agricultural educators, what are some ways you feel New Mexico FFA could better promote Agriculture Education within the state and encourage members to seek careers in Agriculture Education.

After delivering your speech, there will be 5 minutes of questions. These questions will relate to the two areas which ARE NOT the focus area of the speech.

SAMPLE QUESTIONS

1. What agricultural education programs can we implement into the FFA to recruit more teachers?
2. What can agricultural educators do to inspire students to seek a career in agriculture education?
3. The American Association of Agricultural Educators (AAAE) and New Mexico Agriculture Education Teachers Association (NMAETA) both promote agriculture education in our state. How can FFA and these organizations work together to develop programs within our state?
4. One of the disadvantages of teaching is the low salary, what are some ways the FFA can help eliminate this issue?
5. As a leader in the FFA, how can you utilize your contacts with advisors, members, community leaders, and others to help solve this issue?
